'Letting you in' on N&HNYMC News

## Chairman's Chatter...

By WBro Daniel Cooke

Brethren,

It was 6 months ago the first edition of The Tyler was sent out. We were in the middle of Lockdown all hoping that the end was just around the corner, but here we are again in a second Lockdown with all Masonic activity suspended and very little hope that much will change before the New Year.

Throughout this entire pandemic the N&HNYMC has strived to provide a way to "Meet and Socialise" while we are unable to. This is something we must carry on doing, in fact, now more than ever, we can see the importance of our club and not just to our members but all Masons in this Province.

The N&HNYMC will carry on arranging virtual socials, along with the local Light Blue Clubs, and we hope these will carry on being supported allowing us all to keep in contact until the time we can meet again.

Brethren, albeit slightly early, I would like, on behalf of the club, to wish you and your family a wonderful Christmas even if it isn't quite as we would like.

Take care Brethren and stay safe.

YS&F

Dan

## 2020 PUDDING PROJECT

It is this time of year, Brethren, we think of those less fortunate than ourselves and want to try and help.....even if it's just to put a smile on someone's face. It's with this in mind I call on your kindness. All we need is a donation of a Christmas treat: a Christmas Pudding, a box of Mince Pies or a Box of Chocolates.

We'll be supporting **Palmer Court**, a Masonic Housing Association Assisted Living Home. **Let's spread some Masonic Christmas joy!** Any surplus will be donated to other good causes.

It can be something you grab next time you're in a supermarket, or something you already have in your cupboard.....all we ask is that it is unopened and the best before date is after Christmas.

Please let me know that you have something to donate and we'll arrange for it to be collected sometime before the middle of December.

My email is [fletch3nov@gmail.com](mailto:fletch3nov@gmail.com)

My number for WhatsApp or text message is 07792 844244

Thank You, Brethren

## MONTHLY SOCIALS

During C19 and the impending lockdown(s), we needed something to keep our Masonic minds ticking over. Alas, a Sunday night talk from a special guest and presentations from NYMCs throughout the UK and abroad. Not only are we able to hear how NYMC clubs run and manage their clubs, but we are able to learn new ways of doing things that we would never have thought of.

Our special guest speakers have been excellent! We've heard from the rules of UGLE, OWF and HFAF; been inspired by a Detective Chief Inspector of New Scotland Yard and discovered where our monetary donations go by hearing from the President of the MCF.

## Membership Messages

A warm welcome to all of our September & October joiners.
